## Email2sms corporate pricing

### Corporate Pricing

mymobilephone offer two flexible methods for setting up your corporate email2sms service. Use either our prepaid or myplan packages. NOTE – The Internet domain must be unique for a given package. The same Internet domain may not be simultaneously nominated in different packages.

For general users where the recipient pays, pricing is available on-line at [www.mymobilephone.com.au](http://www.mymobilephone.com.au).

### prepaid email2sms

For prepaid plans, users pay an up-front amount for a total number of email2sms messages. prepaid plans expire after 12 months and any unused email2sms messages after this period are not redeemable.

Pricing for prepaid email2sms plans are given below:

prepaid email2sms plan	Pre Paid Amount	Plan Details
prepaid100	\$100	330 email2sms messages included. Up to 3 Internet domains. Unlimited users per domain. Unused messages expire after 12 months.
prepaid200	\$200	700 email2sms messages included. Up to 5 Internet domains. Unlimited users per domain. Unused messages expire after 12 months.
prepaid300	\$300	1200 email2sms messages included. Up to 10 Internet domains. Unlimited users per domain. Unused messages expire after 12 months.
prepaid500	\$500	2100 email2sms messages included. Up to 10 Internet domains. Unlimited users per domain. Unused messages expire after 12 months.

NOTE – All prices are in Australian dollars and include GST.

### myplan email2sms

For myplan packages, users pay a fixed monthly amount for a minimum number of email2sms messages. Additional email2sms messages are charged at nominal rates. Unused messages within the monthly plan period are not redeemable. The minimum plan period is 1 month and users may change plan types at the end of any month. Invoices are sent monthly in advance.

Pricing for myplan email2sms packages are given below:

myplan email2sms package	Monthly Amount	Plan Details
myplan50	\$50	220 email2sms messages included. 1 Internet domain only. Unlimited users per domain. Additional email2sms messages charged at \$ 0.25c.
myplan100	\$100	450 email2sms messages included. Up to 2 Internet domains. Unlimited users per domain. Additional email2sms messages charged at \$ 0.25c.
myplan200	\$200	1000 email2sms messages included. Up to 5 Internet domains. Unlimited users per domain. Additional email2sms messages charged at \$ 0.25c.
myplan300	\$300	1600 email2sms messages included. Up to 10 Internet domains. Unlimited users per domain. Additional email2sms messages charged at \$ 0.25c.
myplan500	\$500	2800 email2sms messages included. Up to 10 Internet domains. Unlimited users per domain. Additional email2sms messages charged at \$ 0.19c.
myplan1000	\$1000	6000 email2sms messages included. Up to 10 Internet domains. Unlimited users per domain. Additional email2sms messages charged at \$ 0.18c.

NOTE – All prices are in Australian dollars and include GST. See also Corporate Billing Options.

## Corporate Billing Options – available for myplan packages only

Two forms of billing are available to myplan package users. All reports will be sent via Email in a TEXT file to the nominated address.

### Basic Billing

For basic billing, only the total number of sms messages delivered for the specified billing period are listed.

### Itemised Billing

With itemised billing, each email2sms message is itemised for the specified billing period including date, time, originators Email address, and destination mobile number. An additional \$25 per month administration charge per Internet domain applies for Itemised billing.

## Setting up your corporate email2sms account

To set up you corporate email2sms account please download and complete the **email2sms Application Kit** which is available at [www.mymobilephone.com.au](http://www.mymobilephone.com.au). We will your process your application and contact you once your account is activated.
